

Fluency Passage

Our garden has sunflowers that are taller than me. The sunflowers have bright yellow petals and brown centers. Bees visit the sunflowers every sunny morning. I like to stand next to them and look up.

Answer the questions:

1. How tall are the sunflowers?

2. What color are the petals?

3. Who visits every morning?

Fluency Passage

Our class went on a nature walk around the school. We saw squirrels running in the trees. We found acorns and pretty leaves on the ground. I put three yellow leaves in my pocket.

Answer the questions:

1. Where did the class walk?

2. What animals did they see?

3. What did the child put in a pocket?

Fluency Passage

We had a fire drill at school today. Everyone walked outside in a straight line. We stood by the fence and waited quietly. The principal said we did a really good job.

Answer the questions:

1. What did the school have?

2. Where did they walk?

3. What did the principal say?

Fluency Passage

We had show and tell today in class. I brought my seashell from the beach trip. Everyone wanted to hold it and listen to the ocean sound. My teacher said it was a wonderful share.

Answer the questions:

1. What did the class have?

2. What did the child bring?

3. What could everyone hear?

Fluency Passage

I built a fort out of couch pillows and blankets. My little sister and I played inside all afternoon. We pretended it was a castle with a drawbridge. We used flashlights to see inside.

Answer the questions:

1. What did the child build?

2. Who played inside?

3. What did they pretend it was?

Fluency Passage

A butterfly landed on my hand. Its wings were orange and black. I stayed very still so it would not fly away. Then the butterfly flew into the sky.

Answer the questions:

1. What landed on the hand?

2. What color were the wings?

3. What did the child do?

Fluency Passage

My cat sleeps on my pillow. She is soft and warm. Sometimes she purrs very loudly. I love my cat very much.

Answer the questions:

1. Where does the cat sleep?

2. What does the cat do sometimes?

3. How does the child feel about the cat?

Fluency Passage

Our garden has sunflowers that are taller than me. The sunflowers have bright yellow petals and brown centers. Bees visit the sunflowers every sunny morning. I like to stand next to them and look up.

Answer the questions:

1. How tall are the sunflowers?

2. What color are the petals?

3. Who visits every morning?

Fluency Passage

Today is my birthday. I am six years old now. My friends came to my party. We had cake and played games.

Answer the questions:

1. What day is it?

2. How old is the child?

3. What did they eat?

Fluency Passage

I got new shoes for school. They are white with blue stripes. I ran really fast at recess in them. My new shoes are the best.

Answer the questions:

1. What did the child get?

2. What do the shoes look like?

3. What did the child do at recess?
